EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

General

The notes on the following pages give an explanation of the resolutions to be proposed at the Annual General Meeting. Resolutions 1 to 7 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 8 and 9 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts

The Directors must lay the Company's Accounts, the Directors' report and the Auditor's report before the shareholders in a general meeting. This is a legal requirement after the Directors have approved the Accounts and the Directors' report, and the Auditor has prepared its report.

Resolutions 2, 3 and 4 – Election and Re-election of Directors

In accordance with the Company's Articles of Association, any Director appointed since the last Annual General Meeting holds office until the next Annual General Meeting when they must stand for election. Ryan Murray was appointed a Director by the Board on 14 October 2024. Accordingly he now submits himself for election.

In accordance with the Company's Articles of Association, a proportion of the Directors must retire by rotation at the Annual General Meeting each year and each Director must seek re-election every 3 years. Jason Starr and Carolyn Rand are required to retire this year. Being eligible, they each offer themselves for re-election.

Biographical details of the relevant Directors are set out in the Annual Report and Accounts and can be found online at <https://ir.pcpial.com/corporate/the-board>. Ryan Murray is an executive Director and Chief Financial Officer, Jason Starr is a non-executive director and Carolyn Rand is a non-executive Director.

The Board considers that each of Ryan Murray, Jason Starr and Carolyn Rand continues to be an effective member of the Board who provides a significant contribution to the Company and to the Board and unanimously recommends their election or re-election (as the case may be).

Resolutions 5 and 6 – Reappointment and remuneration of Auditor

The Company is required to appoint an Auditor for each financial year of the Company. Resolution 5 proposes the re-appointment of BDO LLP as the Company's Auditor for the current financial year of the Company ending 30 June 2025. Resolution 6 seeks authority for the Directors to decide the Auditor's remuneration.

Resolution 7 – Renewal of authority to allot ordinary shares

The purpose of this Resolution is to renew the Directors' power to allot ordinary shares. Section 551 of the Companies Act 2006 provides that the Directors may not allot new ordinary shares (other than for employee share schemes) without shareholder approval. The Directors currently have authority to allot relevant securities up to a maximum of £216,059.54. The Resolution proposes that a similar authority be granted in substitution of the existing authority to allot securities up to a maximum amount of £238,978.04, representing approximately 33 per cent. of the Company's total issued ordinary share capital (excluding treasury shares) as at 8 November 2024, being the latest practicable date prior to publication of this Notice.

The Directors have no present intention of exercising this authority. The authority will expire at the end of the 2025 annual general meeting or, if earlier, on the date falling 15 months after the passing of Resolution 7, unless previously cancelled or varied by the Company in general meeting. It is the intention of the Directors to renew this authority annually at each annual general meeting.

As at 8 November 2024, being the latest practicable date prior to publication of this Notice, the Company held 167,229 ordinary shares in treasury, representing approximately 0.23 per cent. of the Company's issued ordinary share capital (excluding treasury shares).

Resolution 8 – Disapplication of pre-emption rights

Section 561(1) of the Companies Act 2006 provides that if the Directors wish to allot any equity securities, or sell any treasury shares (if the Company holds any), for cash, it must first offer them to existing shareholders in proportion to their existing shareholdings. Section 561 does not apply in connection with an employees' share scheme (within the meaning of the Companies Act 2006). The purpose of this Resolution is to allow the Directors to allot equity securities or sell any treasury shares for cash as if section 561(1) of the Companies Act 2006 does not apply, in connection with rights issues, open offers and other pre-emption offers pursuant to the authority granted by Resolution 7 and otherwise up to a total amount of £72,417.59 representing approximately 10 per cent. of the Company's total issued ordinary share capital as at 8 November 2024, being the latest practicable date prior to publication of this Notice.

The authority will expire at the end of the 2025 annual general meeting or, if earlier, on the date falling 15 months after the date upon which Resolution 7 is passed, unless previously cancelled or varied by the Company in general meeting. It is the intention of the Directors to renew this authority annually at each annual general meeting.

Resolution 9 – Market purchase of own shares by the Company

Authority for the Company to make market purchases of its own shares was granted at the 2024 annual general meeting. This Resolution seeks to renew that authority again in case circumstances arise in which the Directors consider that it is desirable to reduce the issued share capital of the Company by purchases in the market.

The authority given by this Resolution will be exercised only if the Directors are satisfied that any purchase will result in an increase in earnings per share of the ordinary share capital in issue after the purchase and, accordingly, that the purchase is in the interests of shareholders generally. The Directors will also give due consideration to the Group's interest cover, gearing and its general financial position. The Directors do not intend at present to use this power but wish to retain the flexibility to do so in the future. Any shares repurchased may either be cancelled or held by the Company as treasury shares.

The maximum number of Ordinary Shares which may be purchased under the proposed authority will be 3,600,000, representing approximately 5 per cent. of the issued share capital of the Company as at 8 November 2024, being the latest practicable date prior to publication of this Notice. The price paid for any Ordinary Share will not be less than the nominal value of the share nor more than the higher of (i) 105 per cent. of the average of the middle market prices shown in the quotations for the Company's Ordinary Shares in the London Stock Exchange Daily Official List for the 5 business days immediately preceding the day on which that Ordinary Share is contracted to be purchased and (ii) the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the trading venue where the purchase is carried out.

As at 8 November 2024, being the latest practicable date prior to publication of this Notice, the total number of outstanding warrants and options to subscribe for shares was 8,651,667, representing 11.95 per cent. of the total issued Ordinary Share capital of the Company (excluding treasury shares) at that date. That percentage will increase to 15 per cent. if the authority being sought is exercised in full.

The directors have no present intention of exercising this authority. The authority will expire at the end of the 2025 annual general meeting or, if earlier, on the date falling 15 months after the date on which Resolution 9 is passed, unless previously cancelled or varied by the Company in general meeting. It is the intention of the Directors to renew this authority annually at each annual general meeting.

SHAREHOLDER NOTES

Appointment of proxy

Any shareholder who is entitled to vote at the Annual General Meeting is entitled to appoint one or more proxies (who need not be shareholders) to attend the Annual General Meeting and speak and vote instead of the shareholder. Appointment of a proxy will not preclude a shareholder from attending and voting in person at the Annual General Meeting. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.

In order for a Form of Proxy to be valid, it must be completed and signed and returned (along with any power of attorney or other authority under which it is signed or a notarially certified copy of such power of attorney or other authority) to the Company's registrar, Link Group at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL so that they receive it by not later than 11.00 a.m. (UK time) on 9 December 2024 (or, if the meeting is adjourned, by not later than the time that is 48 hours (excluding nonworking days) before the time fixed for the adjourned meeting).

A shareholder wishing to appoint multiple proxies should contact the Shareholder Helpline on 0371 664 0300 (+44 (0) 371 664 0300 if calling from outside the United Kingdom) to obtain additional Forms of Proxy or email at shareholderenquiries@linkgroup.co.uk. It will be necessary for the shareholder to indicate on each separate Form of Proxy the number of shares in relation to which each proxy is authorised to act. Alternatively, shareholders can photocopy the enclosed Form of Proxy.

In the case of joint holders, the vote of the senior holder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in the Company's relevant register of members for certificated or uncertificated shares of the Company (as the case may be) in respect of the joint holding.

In the case of a corporation, the Form of Proxy must be executed under its common seal or signed on its behalf by a duly authorised attorney or duly authorised officer of the corporation. A corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Electronic appointment of proxy

As an alternative to completing a hardcopy Form of Proxy, shareholders can appoint a proxy online via the Link Investor Centre app or by accessing the web browser at <https://investorcentre.linkgroup.co.uk/Login/Login>. For an electronic proxy appointment to be valid, the Company's registrar, Link Group, must receive the proxy appointment by not later than 11.00 a.m. (UK time) on 9 December 2024 (or, if the meeting is adjourned, by not later than the time that is 48 hours (excluding nonworking days) before the time fixed for the adjourned meeting).

Link Investor Centre is a free app for smartphone and tablet provided by Link Group (the company's registrar). It allows you to securely manage and monitor your shareholdings in real time, take part in online voting, keep your details up to date, access a range of information including payment history and much more. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below. Alternatively, you may access the Link Investor Centre via a web browser at: <https://investorcentre.linkgroup.co.uk/Login/Login>.

Appointment of proxy using CREST and Proxymity

CREST members may appoint a proxy or proxies through CREST by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (“a CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications and must contain the information required for such instruction, as described in the CREST Manual. All messages relating to the appointment of a proxy or an instruction to a previously appointed proxy must be transmitted so that they are received by the Company’s registrar, Link Group (ID RA10) by not later than 11.00 a.m. (UK time) on 9 December 2024 (or, if the meeting is adjourned, by not later than the time that is 48 hours (excluding nonworking days) before the time fixed for the adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Proxymity Voting – if you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00 a.m. (UK time) on 9 December 2024 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Changing proxy instructions

To change your proxy instructions simply submit a new proxy appointment using one of the methods set out above. Note that the cutoff time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cutoff time will be disregarded.

Where you have appointed a proxy using the hardcopy Form of Proxy and would like to change the instructions using another hardcopy Form of Proxy, please contact the Shareholder Helpline on 0371 664 0300 (+44 (0) 371 664 0300 if calling from outside the United Kingdom) to obtain another Form of Proxy or email at shareholderenquiries@linkgroup.co.uk.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

The appointment under the form of proxy may be terminated by the member prior to the commencement of the meeting (or any adjournment of the meeting). To be valid, the notice of termination of the authority of the person appointed to act as proxy must be deposited at the offices of the Company’s registrar, Link Group, PXS 1, Central

Square, 29 Wellington Street, Leeds, LS1 4DL, at least 48 hours (excluding any non-working days) before the time fixed for the holding of the meeting or any adjournment thereof (as the case may be).

Record date

To be entitled to vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the register of members of the Company at close of trading on 9 December 2024 (or, in the event of any adjournment, at close of trading on the date which is two days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the meeting.
